PRESS RELEASE

LONDON POLITICAL SUMMIT & AWARDS 2025

CELEBRATING 10 YEARS OF DEMOCRATIC PEACE, LEADERSHIP, AND GLOBAL PARTNERSHIPS
LONDON, UNITED KINGDOM

The London Political Summit & Awards (LPSA) proudly announces its 10th Anniversary Celebration, a historic three-day gathering scheduled for 15th – 17th October 2025 across three iconic London venues. This landmark edition will bring together global leaders, diplomats, policymakers, business executives, academics, and community changemakers to reflect on a decade of achievements in advancing democratic peace, trade for peace, good governance, inclusive politics, and diaspora relations.

Since its inception in 2015, the Summit has grown into a respected international platform that has:

- Advocated for Democratic Peace and Political Stability, supporting landmark peace accords including the 2018 Handshake Peace Accord in Kenya and the 2020 Peace Accord in Malawi.
- Strengthened trade-for-peace initiatives, such as fostering business relations in Sierra Leone and other African nations.
- Championed women in politics and leadership, with highlights from Uganda and Nigeria.
- Promoted youth participation in UK politics, bridging African and diaspora communities with British democratic engagement.

Over the past decade, the Summit has honoured and recognised political, business, and community leaders from Africa, the United Kingdom, and the wider diaspora who continue to inspire positive change.
